

# Where's the water?

Thanks to the Water Bottle Committee's petition, an SGA resolution, and the approval of the President's Cabinet: **we are no longer selling disposable plastic water bottles with money from student meal plans (flex and swipes).**

No bottled water will be available at Mom's Truckstop, Pop's Substop, MacLeod's or Old Main Café.

Questions or concerns contact Sb Loder: [sloder@wooster.edu](mailto:sloder@wooster.edu) or Gus Fuguitt: [gfuguitt13@wooster.edu](mailto:gfuguitt13@wooster.edu)

**Please use a refillable bottle at one of the many campus water filling stations or purchase a bottle of water from a vending machine.**
